towns there are few places that suffered more from the atorm than Brunner. Not The liberality with which relief is pour- a residence or place in the addition esing into Galveston is almost amazing caped more or less damage. Both school even to those familiar with the generosity bouses and the Methodiat church are entirely demolished. The postoffice is a to-Yesterday thirty-seven carloads of pro- tal wreak and the office with its supvisions and supplies were forwarded from plies badly damaged by wind and rain, Houston to the storm-stricken city. There with some of the supplies and much of the Houston to the storm-stricken city. These were already six carloads at Texas City mail blown away. Through the kindness were already six carloads at Texas City of Dr. Hudson the postoffice is again opawaiting transportation across the bay, ened up at the drug store and Cotonol which added to the inity-seven cars for- Archer, the postmaster, though a little distigured is still in the ring.
On Thursday evening the citizens held a

meeting under call of Mr. B. A. Rando ph and resolved to rebuild their school houses. Judge Vasmer, Prof. James, Judge Campbell and others made talks and a committee was appointed to devise ways and means to rebuild. It was the sense of the meeting that Brunner could and would soon have her school houses erected and hools under way.

The Methodist church people are equally sanguine of rebuilding their church and now have workmen clearing away the ton subcommittee having the matter of wreck and trying to save such lumber as

may be of use in rebuilding.

In residence property the Michigan company is probably the greatest sufferers, but every property owner in Brunner suffered some loss.

TOO MANY BADGES.
